Please join us as financial advisor Susan Dewsnap presents important financial planning concepts, explains their importance regardless of your income or assets, and answers your financial questions.

Susan is a financial advisor with Wealth Management Resources, Inc. She advises clients in all areas of personal financial planning. She holds an M.B.A. from Bentley College, a B.B.A. in Finance from the University of Massachusetts and a Certificate in Financial Planning from Bryant University. She is a candidate for CFP® certification and a member of the Rhode Island Financial Planning Association.
